Judges Profile – Ring 1

JOHN HANSSON (UK GCCF)

We are absolutely delighted that John has been able to accept our all breeds assignment. John is a very respected all breeds judge and has judged extensively in Europe, China & Australia. We will put up a better profile when we have received it – visit our website in a couple of days <http://www.freewebs.com/patchedcats>

Debs Armishaw (NZCF Senior Shorthair & Junior Longhair)

I am honoured to be asked to Judge at Patches and Pointed's annual show this year. I look forward to meeting and working with some wonderful fur person's and their attendants.

I have been involved with the New Zealand Cat Fancy since 1986 and started breeding Siamese in 1990, when I was granted my prefix "Pernpet" and my first breeding girl came to rule my life. I currently am owned by one Oriental and a mini Fox Terrier.

I reside in Wellington and love living here. Although it can be wet & windy when the weather is good it's fantastic.

I am a Senior Shorthair Judge (obtaining my shorthair license in 2001) and am currently working my way through the Longhair panel to become an All Breeds judge.

I spent some time living in Australia, after the Canterbury earthquakes and was a member of CFA NSW. This gave me the opportunity to judge some wonderful cats whilst I was there.

I returned to New Zealand in 2012 and in 2013 applied to re-join the NZCF and the judging fraternity. In 2015 I was elected to the Executive Council. I have held or hold the following Portfolios; Judges, IT, Registrations. I was until recently the Vice Chair and the Privacy Officer.

I am the HSSEQ Advisor – Wellington Region for an international company that provides Facility Management support to both private and public companies, Universities and District or City Councils.

I hope you will all have a great weekend at the Patches & Pointed show and no matter what the outcome that you all enjoy yourselves

Paul Henry – (NZCF Senior LH & Junior Shorthair Judge) Ring 3

I started in the cat world breeding Birmans with my late partner, Brian Smyth. In 1985 we got our Prefix "PREFERENCE" and breed the first 2 Birmans to become Double Grand Champions in NZ. Was so exciting as they were half-sisters from our foundation queen from her first 2 litters. They achieved this title just a week apart. Dbl Gr Ch Preference Lady Arabella, owned by J

& J Davey, " Leegrigo" and Dbl Gr Ch Preference Lady Bodicea. Owned by A & M Hart "Highbeech". We had quite a bit of success with and Blue point Birmans with a few going over to Australia.

I was also President of the Birman cat club for a few years and held office of show secretary for many years. With Brian's passing [nearly 24 years ago] I took on the Prefix and moved to Tabby point Birmans with my new partner Colin. I had just become a Longhair judge at this stage. I went on to breed the Top winning kitten in NZ in 1999 with Preference Fashion Hint, a Seal Tabby point Birman. At this time we branched out and bred and showed a few Persians and Exotics for a couple of years.

Also at this time I went into the Dog showing world, breeding and showing Shihzhu's. My first litter produced a male, whom I kept and showed until I retired him at 7 years old. He was the top winning Shihzhu in NZ just about all of that period of time. Becoming the 6th dog of this breed to become a Grand Champion in NZ.

I gave up the cats, breeding and judging in 2001 as I was burnt out and exhausted as was just all over the place with Dog shows and cat shows here and in Australia. I was asked by the Auckland Cat club to be their MC for their 50th Jubilee show in conjunction with the Nationals. By the end of that weekend I was back on the panel judging cats again. Now a few years later I am so glad I took that break as am thoroughly enjoying my judging again. By this time I had stopped breeding and showing my dogs.

I now have a new partner Tony, who used to own a Birman from Melissa Stevenson, a relation of his. So I have introduced him to the cat world of showing. We have 2 Maine Coon cats, one of which we have now retired as she doesn't like the show scene, but became a Double Grand Premier by the end of last year, 2016.

We are still showing the younger boy and having some good wins and fun with him. Tony is HOOKED! Last year I was badgered into doing my Shorthair school again, so I bit the bullet and am pleased to say that I am now on the junior panel for Shorthair section.

I will be half way through my assessment judging by the time this show is done. So proud of myself achieving this in such a terrible year for us. Firstly my Mum passing in March last year, then Tony's ex-wife passing in January this year and then my brother also passing on

the same date as Mum a year later. But I managed to do all my projects etc. as well. I also have been Emcee for quite a few of our National cat shows over the years and also on the Breakfast show and Seven Sharp for promoting Cat shows.

I really am enjoying this period of my life and enjoy judging very much, I try to tell the public what and how we judge cats when they are coming through. I have met lots of other cat lovers both here and in Australia as well as from further afield, and have become great friends with most of them.

I am so looking forward to this appointment. Thanks Paul

Roy Griffiths (NZCF Senior Shorthair & Intermediate LH Judge – Ring 4 Specialist Ring

I live with my cats in the quiet suburb of Cashmere in the hills of Christchurch, New Zealand.

I have been involved with animals all my life, bred and exhibited In 2001 I managed to acquire a Devon Rex and have bred and exhibited them consistently ever since. I now have a medium sized cattery under the prefix of Loriendale, with 2 stud boys and 6 queens which keep me entertained most of the time. Loriendale bloodlines can be found in Europe, USA, Canada and of course Australia.

Presently working on an outcross program to expand gene diversity and also bring the cinnamon colour into the Devon Rex gene pool.

A qualified Steward, Handler and Senior Shorthair Cat Judge/ Intermediate LH Judge, and still exhibiting Devon Rexes. This requires a good understanding of the breed standard not only the Devon rex but for all breeds registered with the NZCF Inc.

Have held office on the Executive Committee as the Portfolio Manager of the Breeds Standards Advisory of the New Zealand Cat Fancy. Understanding the process behind Breed Group consultation and presenting information to the BSAC is a skill needed for any Breed Representative.

Cat health and temperament are something I feel we all strive for and can be achieved and maintained more readily with helpful communication and support within the NZCF.
