JUDGE'S PROFILES

Emma Kimberley

Thank you to the committee of Central Burmese Cat Club NZ for inviting me to judge my first ever assignment as a NZCF Junior Shorthair Judge at your show. Means a lot to me to have this pleasure as this is a show I have involvement for nearly 15 years.

As a teenager I owned a beautiful Black n White Longhair Cat and I always wanted to show him after visiting a local cat show. Sadly it took many more years before I started to show cats and I haven't stopped since. I have spent the last 20 years loving showing my cats, and claiming some major wins with them. Was honoured to show an ebony oriental shorthair neuter Robandi The Palmy Panther who won 2 NZCF National Show SH Neuter Spay Cat titles, NZCF National Show Supreme Shorthair, 2 NZCF Shorthair Neuter Spay Awards. Over the years I have shown several beautiful breeds, Somali, Birmans, Maine Coon, Siamese, Balinese, Oriental Shorthair, Coated Sphynx and recently a Toyger.

Needing a new challenge and not wanting to leave the cat showing world the next step was to start training as a judge. As a judge I believe each time will be a wonderful experience and am wanting to learn about the lovely cat breeds we have.

In my personal life I am a trained veterinary nurse, currently working at the Massey University Equine Veterinary Clinic.

Of course I am owned by my cats, 2 Siamese, Oriental, Coated Spynx and a Toyger. I am also involved in the world of miniature horses and love showing them. Weekends of no shows you can find me on the croquet green, gardening or entertainment my nephews or nieces.

Again thanks and look forward to seeing some beautiful cats/kittens.

David Scadden

My wife Jacqui & I have been retired from the breeding game after breeding Birmans under the Magwai prefix since 1985.

We both originate in the Wairarapa in the sunny South Eastern part of the North Island of New Zealand.

We moved to Rotorua, in the Bay of Plenty in 2008. One of the major tourist destinations in the country, the scenery is striking and we are very central to other cities and beautiful destinations.

Our other great love are our Bengals, which we originally imported into the country in 1996 and bred successfully under the LapLepid prefix.

We have three children who have now left home and one grandson born in 2016.

We have a number of desexed Birmans and Bengals to keep us pretty busy. Other interests include good wine, genealogy, music and collecting and restoring Ford Capri's.

I started judging in 1992 and reached the status of All Breeds in 2005, learning a great deal about all aspects of felines along the way.

I really enjoy judging and try to talk to and educate the spectators as much as possible on the various breeds. I feel that a cat show has to be entertaining and informative. I enjoy meeting fellow cat fanciers from around NZ and other parts of the world.

I have had the privilege of judging all three National shows in Australia and New Zealand over the few years and would love to be able to judge felines in other countries in the world.

Ann Skilling

Animals have been part of my life since early childhood when I spent countless, happy hours on my grandparents' farm in one of NZ's top scenic spots, Akaroa. In the 1960's I began breeding Burmese and Persians under the CHUNTAO and RIVERAIN prefixes, having been coerced into it by my brother! In the 1970's I read about the (at that time) new Burmese colours, and soon imported stock from England which became the foundation stock for my multiple Best in Show and National Best in Show winners, the Chuntao Creams.

In the later 1980's a 4th generation Exotic girl joined the Skilling household. Although she wasn't show quality she did become the ancestress of NZ's first Grand Champion Blue Cream Exotic as well as being a much loved pet!

Chris Lowe

NZCF International All Breeds Judge

I fell in love with Persians as a teen and it was not long before I applied for my prefix "CHRISTOS" to breed these beautiful cats. To be closely followed by Exotics. I have enjoyed some wonderful show days with my daughter including Supreme Exhibit at a number of National Shows. I have also bred Siamese & Oriental Shorthairs.

Past NZCF Roles: Central Region Chairperson, National Vice Chair, Executive Council Secretary, World Cat Congress Delegate, International Liaison Officer

Current NZCF Role: Provisional Registrar, Breed Standards Advisory Council Secretary, All Breeds Tutor Judge

In 2010 I was presented with my Life Membership of NZCF

Judges Training: Entering the NZCF Judges Training Programme and qualifying as Longhair Judge in 1981 extending my license to All Breeds in 1989. I get a great deal of satisfaction out of continuing to be involved with the Training Programme

as an All Breeds Tutor.

International All Breeds Judging: I am honoured to be listed as a CFA Guest Judge and will continue to work towards becoming a CFA Approved Guest Judge. I thoroughly enjoy the judging scene, the forward thinking of exhibitors working with improvement of their chosen breeds and of course the interaction with exhibitors and cat lovers from all walks of life. I have judged in all Australian States, The Netherlands, South Africa, United Kingdom, USA, Thailand & China and will continue to share my knowledge "for the love of cats" with future exhibitors and breeders wherever this passion takes me.

John Smithson

In his professional life, John has been a Credit Manager for more than 35 years and is currently Key Account Credit Manager for Porter Group, which is the largest heavy equipment hire company in the Southern Hemisphere. His involvement in the Cat Fancy began in the late 70's, registering his first prefix 'Imperatus' with the NZCF in 1978, and shortly afterward was appointed Editor of 'NZ Cats' Magazine, when in 1980, he produced the first NZCF Yearbook. In the intervening years, John began by breeding Persians and Himalayans, extending to British Shorthairs, Burmese, Siamese, and Exotic Shorthairs. He bred NZ's first Red Persian Grand Champion and first Himalayan Double Grand Champion. Later he graded a British Shorthair in CFA (USA), and bred Orientals, Foreign Whites and latterly Munchkins, culminating with 9 Grand Champions and taking one to All-Breed Cat of the Year in 2009.

In 1985, he passed his Long-hair Judges exams and began his judging career, later extending to cover all Short-hair breeds in 1990. He has held various positions such as Club Delegate, Secretary and/or President, of several NZ clubs, serving for a time as Northern Region Chairman and on the National Executive, and was ultimately elected as National President of the New Zealand Cat Fancy in 1992, serving on the CFA International Committee in 1993. John is currently listed as an All-Breed Tutor Judge with the NZCF.

In 2009 John founded 'The Harrison Weir Collection,' and over the last decade has accumulated the world's largest private collection of original antiquarian art, ephemera, and publications featuring the work of British listed artist, Harrison William Weir. John also manages and edits the educational web-site www.harrisonweir.com. This collection was later expanded to separately include historical items relating to the history of cat shows, honouring Harrison Weir's role as the 'Father of the Cat Fancy'.

In 2014, 'The Harrison Weir Collection' entered into a collaboration with 'The CFA Foundation,' which runs the Feline Historical Museum, based in Alliance, Ohio. This new collaboration included joint development of a new web-site at www.cat-o-pedia.org now well known as 'The History Project,' with Karen Lawrence, who is the Director of the Feline Historical Museum. John spends a great deal of his time writing many of the individual cat histories of the late 19th and early 20th century cats which may be found on this site.

When the World Cat Congress was held in New Zealand, John was invited to be one of the five guest speakers, delivering a presentation on Feline History. In April 2017 he spent a month in the UK on a research tour, collecting material for a new in-depth biography of Harrison Weir, while concurrently giving presentations to history groups, on the art, life and passions of the Father of the Cat Fancy.

John was recently invited to serve on the CFA Foundation's Board of Directors, with whom he is now working to further the aims and future direction of the CFA Foundation and the Feline Historical Museum. In 2018 he spent a week in the Museum doing historical research after giving a series of four history presentations in the Education Ring at the CFA International Show.

With the arrival of Covid restrictions in 2020, he launched the new e-magazine 'Felis Historica' as a platform for disseminating both feline-related history and current affairs on an International scale. The magazine provides over 100 pages monthly of topical information on breeds, genetics, and other feline related issues relative to both Domestic and Pedigreed cats.
