JUDGES PROFILE – DAVID SCADDEN

My wife Jacqui & I have been retired from the breeding game after breeding Birmans under the Magwai prefix since 1985.

We both originate in the Wairarapa in the sunny Southeastern part of the North Island of New Zealand.

We moved to Rotorua, in the Bay of Plenty in 2008. One of the major tourist destinations in the country, the scenery is striking, and we are very central to other cities and beautiful destinations.

Our other great love are our Bengals, which we originally imported into the country in 1996 and bred successfully under the LapLepid

prefix.

We have three children who have now left home and two grandsons.

We have two desexed Birmans, one Bengal and a Maine Coon to keep us pretty busy. Other interests include good wine, genealogy, music and collecting and restoring Ford Capri's.

I started judging in 1992 and reached the status of All Breeds in 2005, learning a great deal about all aspects of felines along the way.

I really enjoy judging and try to talk to and educate the spectators as much as possible on the various breeds. I feel that a cat show has to be entertaining and informative. I enjoy meeting fellow cat fanciers from around NZ and other parts of the world.

I have had the privilege of judging all three National shows in Australia and New Zealand over the few years and would love to be able to judge felines in other countries in the world.

CHRISTINE YEUNG: I have been owned by Burmese since I was a child - a seal named Mỡ lệ was my first cat. We also owned a Bluecream Persian and had several moggies over the years.

Mỡ lệ was entered into a show in my hometown of Gisborne, I can't remember his placings other than "The cat with the longest whiskers", which of course I thought was wonderful!

It wasn't until around 20 years later, when wanting to see what this showing thing was really all about, we entered our neuter Russian Blue into the Kapiti cat show and from there, was hooked.

My husband Mushfik and I registered the Cairistona prefix in 2003, with our first litter of Burmese and Mandalay kittens being born in 2005. Our foundation queen was from Sashima Cattery – Brz Db Gr Ch Sashima Lace, who is now a spritely 18 years old and very much enjoying the retired life!

We have bred many high achieving cats over the years, including the 2019 NZCF National Show Shorthair Supreme winner and 2019 NZCF

National Awards winner for Shorthair Entire Kittens - Cairistona Vespa.

We continue to breed Burmese and Mandalays, with our Mandalays under the prefix of Mỡ lệ. We have also bred the odd litter of Tonkinese. We have two Dobermanns which are very much owned by the cats too!

My particular areas of interest are in genetics and safeguarding the wellbeing of all breeds, which includes advocating the use of valuable tools such as health screening and genetic testing. These tools facilitate us to make

informed decisions within our breeding programs. I am also a strong advocate for Fear Free and Low Stress Handling, and I hold Low Stress Handling certification.

I've been involved since 2003 with Palmerston North cat Club at a number of levels from committee member to President, and almost as long with the Burmese Cat Club of NZ having also been involved at all levels with being a Life Member and the North Island region's current Chairperson. In addition, I am presently the NZCF Breed Representative for the Burmese breed group, and I am a member of the NZCF Breed Standards Advisory Council. In 2015, I qualified as a NZCF Shorthair Judge, gaining my Senior (international) status in 2018. In 2019 I enrolled in the NZCF Longhair judges training school, achieving Junior status in 2021. I look forward to meeting many more cat fanciers, learning about their beautiful longhair cats and working my way through to gaining my All-Breeds status. In my professional life, I am a Registered Veterinary Nurse and work in a Veterinary Teaching Hospital in the area of leadership.

For me every day is a learning day and I hope that by judging at shows, I can gain experience, learn more about each breed and along the way meet interesting and like-minded people.

I very much look forward to seeing your beautiful cats on the show bench!

MARGARET HARRIS: My "Love" for cats must have started with my "Teddy Bear" as mine was a real live Siamese and in hindsight must have been from the very first Siamese in Canterbury, yes, I am no longer young in body, just in heart.

We, my husband David and I, did not actually apply for the "Iluka or Tartarus" Prefix until the mid-1980's, by which time I had already been showing Pets for several years. Over the years we have bred and shown, Siamese & Orientals, Burmese & Mandalay's, British & Scottish Folds, with all the associated family groups for these breeds, Russian Blue & Whites, and 3 Exotic Neuters, we have both exported and imported many cats around the world.

Then I became a Shorthair Judge followed up by completing further studies and achieving Senior All Breeds status. Everything went well, really well in fact, with assignments all over Australia and NZ. National and Royal shows through to small club shows, all equally enjoyable and memorable.

That was until the 2010/11 Earthquake shook Christchurch. Our Cat breeding days were quite clearly over. Our cats were dispersed far and wide as our home was to need major repairs. It took over 5 years before our home was virtually rebuilt.

During this time, I needed to step away from Cats completely, so just under 3 years ago I resigned as a Judge. Now our house and life has been rebuilt and I am happy to say that I have this October 2019 been accepted back as an All Breeds by our NZCF.

Dave & I have also retired from working so our days are our own; we have the Grey Nomad Caravan, 2 grown up children, Charlotte and John, plus 6 lovely grandchildren. We also have one very spoilt and much-loved cat, Adeyla, our only remaining Russian Blue from our breeding days,

I can now look forward to Judging again wherever whenever anyone invites me to attend and sometimes, I might even bring Dave along for the ride.
