## Application for Membership

---

### Information for Prospective Members

#### Associate Membership

Anyone who owns a cat or is interested in cats is eligible for associate membership. The club encourages associate members to participate fully in all club activities. Associate membership does not require a nominator or seconder.

Junior members (under 16 years) are associate members.

#### Full Membership

Applications for full membership are accepted from people who live in the Manawatu - Horowhenua region or the areas bounded by Bulls/Marton, Taihape, Otaki and Dannevirke.

The PN Cat Club committee will consider applications from people outside of this area.

Applications for **full membership** require a **nominator and seconder**, both of whom must also be **full financial members** of the Palmerston North Cat Club Inc. The applicant should contact the Secretary if they do not know full members who will nominate and second their application.

#### New Zealand Cat Fancy Prefix

Breeders and people requiring endorsement for a new New Zealand Cat Fancy prefix to breed cats who are not known to any full member of the club should expect to be asked to meet with club members at club events or shows before endorsement is given.

#### Application Processing

Applications will be considered at the first committee meeting after receipt of completed application form and payment. Committee meetings are held most months throughout the year.

#### All Members

The club encourages active participation from **all** its members in **all** activities such as shows, seminars and social events. The club also welcomes new members for its committee at its Annual General Meeting held in February.
