## Hamilton Cat Club Inc Guidelines for New Exhibitor's

Thank you for exhibiting at our show.

The show is designed to be a fun day for you where you will learn about what happens at a cat show.

Make sure you have entered your cat or kitten. Entries need to be completed and with the entry clerk no later than the Sunday 23<sup>rd</sup> of June 2025.

Some useful tips - Before show preparation:

Groom your cat regularly as this will reduce the loose hair on the day and take out the summer/winter coats.

- A couple of days before the show give your cat a good groom, (different breeds require different grooming, if unsure about how to best care for your cat's coat, please ask.)
- Make sure ears, eyes and nose are all clean, wipe your cats bottom last. (Wipes are easy and less mess to use)
- Please clip your cats nails the night before show, all 4 paws.
- Make sure your cat is free from fleas
- On the morning of the show, give the cat a final once over, check and wipe eyes.

This show is being held at the Tamahere Community Centre. You need to be there between 7.00am and 7.45am to bench your cat (Put it in its show cage).

Please bring your exhibit in a suitable carry cage (like the one you use when going to the vet). Also bring its vaccination certificate.

The exhibit will be in a show cage while you are at the show so it will need:

- Something to sit on (cushion, bed, blanket or towel).
- A small litter box in case it needs to go toilet during the day (HCC will supply the litter).
- You may like to also bring some water and a small container for it to have a drink.
- A few little treats or cat biscuits in case it gets hungry, ideally it is best to put these in the cage AFTER your exhibit has been judged.

The cages have wire sides so to make your exhibit feel more secure and relaxed you may like to decorate your cage with curtains (or a towel or fabric pegged or clipped or tied round the top) plus maybe a favorite toy.

You will be able to sit, watch and listen while your exhibit is being judged and it is a great opportunity to learn about this interesting hobby. While you are in the venue it is appreciated if you turn your cellphone to silent, as too much noise can often distract or upset the exhibits. Please do not use a flash when taking photos.

There will be food and drink on sale at the venue for when you get hungry and need something to eat, so bring some money for food and there are plenty of raffles.

This is planned to be a fun and interesting day. If you have any queries or questions, big or small, either on show day or before show day, or about entering please contact the club by the email address provided above.

We are here to help you.

Best wishes and see you on 6<sup>th</sup> of July

The team from Hamilton Cat Club.
