3. There will be two Divisions, Longhair and Shorthair, and cats and kittens will compete in their own sections within these Divisions.
4. The Registered Companion Cat Section will compete for titles, and cats having the necessary number of challenges will be known as Premier Companions, right up to Gold Double Grand Premier status.

7. All cats and kittens entered in the Registered Companion Cat Section shall be entered under their registered name with the Prefix and breed number deleted from the Show Catalogue. A cat or kitten entered in the Domestic Section of a Show, which has some known pedigree, or has the phenotype or appearance of any pedigree cat, will be transferred from the Domestic Section to the Registered Companion Cat Section of that Show by the Show Secretary, with the registration number shown in the catalogue as “pending”. The Show Secretary will notify the owner of the exhibit of such change before the start of the Show.
9. Should a cat or kitten entered in the Domestic Section of a Show be noticed on Show day to have the phenotype of a pedigree, then the terms of Clause 8 will apply.
10. On receipt of the marked catalogue, the Honours Registrar will initiate a registration number for any exhibit which has not previously had such granted and will notify the new registration number to the owner of the exhibit. Registered Companion Cats registration numbers will have the prefix of CC, plus indication as to Longhair or Shorthair (CCL or CCS).
11. There will be no additional fees payable for registration of Registered Companion Cats, which may be initiated by the owner, the Show Secretary, or the Honours Registrar.
